

ATLAS
HOME SAFETY

**It's All
About
Safety.**

A Division of

ATLAS HOME
IMPROVEMENT

The Atlas beginnings

Atlas Home Safety is a Division of Atlas Home Improvement, a Michigan Family-Owned Business since 1989. Atlas is owned and operated by father-son team, David and Darian Bobby. The origins of Atlas date back to 1989 when David Bobby, licensed builder, started his handyman business as The House Doctor. Today Atlas has blossomed into one of Southeast Michigan's top home improvement companies with over 20,000 satisfied customers.

David Bobby as The House Dr.

It's All About Trust

This says it all. Choosing a contractor can be overwhelming. Who knows if they'll be in business next year? It's hard to know who to trust with one of your most valuable investments - your home.

Atlas has always been All About Safety

For years Atlas Home Improvement has been making homes safer for their customers. It's now official with the launch of Atlas Home Safety. Let our years of experience go to work for you.

Built on Customer Satisfaction

Our entire team works daily "To have a relentless commitment to exceed our customer's expectations." With 35 years in the industry, our reputation will always belong to our customers.

BATH SAFETY

Improve Shower Safety & Accessibility

Available Products:

Tub to Shower Conversions

Barrier Free Showers

Safety Accessories

Atlas specializes in a variety of custom safety solutions to fit any need, from basic shower accessories including grab bars and shower seats to walk-in shower replacements for your old tub or shower. Walk-in showers are known for safety and accessibility and provide a lifetime of comfort, ease and beauty. With hundreds of colors and styles to choose from, Atlas can set you up with the right solution for your home.

Walk-in Shower Benefits:

- Low threshold or barrier free access
- Many styles, colors & design options
- Slip resistant floor & safety seat
- No stain, easy to clean acrylic surface
- Installed in about one day

STAIR LIFTS

Never Climb Your Stairs Again!

Available Products:

Straight Stair Lifts
Curved Stair Lifts

The most dangerous trip you take today could be the one up to your bedroom. Don't sell your home and don't risk your life! As we age, we have to make modifications to our homes so we can stay in the place we love. Our stairlifts were designed for one purpose: safety. From a seat that pivots to help you get off the steps to a battery backup for power outages, our stairlifts are the safest and most reliable products on the market.

Stair Lift Benefits:

- Automatic safety sensors
- Retractable seat belt
- Innovative design – easy to use
- Quality components
- Best in class warranty

PLATFORM LIFTS

Maximum Access. Minimum Space.

Available Products:

Vertical Platform Lifts

Incline Platform Lifts

A vertical platform lift (VPL) or an incline platform lift (ICL) both work like a “mini elevator” to give vertical access to people using scooters or wheelchairs. These platform lifts are considerably more cost-efficient than a residential elevator. VPL’s are available for indoor and outdoor locations. While they are primarily used for residential purposes there are also models designed for schools, churches and other public buildings.

Platform Lift Benefits:

- Quiet, safe & easy to use
- Wide variety of dimensions
- Battery backup options
- Reduced vibration, smoother ride
- Up to 750 lb lift capacity

PERSONAL LIFTS

Permanent Helping Hand Solutions

Available Products:

- Fixed Ceiling Lifts
- Portable Ceiling Lifts
- Toilet Lifts

Our ceiling lifts help lighten the load so you can take care of your loved ones at home. Whether you are looking for a fixed or portable solution, we have you covered. You can depend on our reliable solutions to help lift, transfer and reposition while reducing the risk of injury to both patient and caregiver alike. We have multiple weight capacities and sling options to find the perfect fit for your needs.

Ceiling Lift Benefits:

- Safe clip technology
- Wide variety of slings
- Powerful lithium-ion battery
- Up to 80 cycles on one charge
- Up to 1200 lb lift capacity

WALK-IN TUBS

Bathe in Safety, Therapy & Comfort

Available Products:

- Traditional Walk-In Tubs (Inswing door)
- Transfer Walk-In Tubs (Outswing door)
- Step Through Tub Kits

Reduce your risk of falling and gain more independence. The health benefits of hydrotherapy for arthritis, back pain, diabetes, insomnia and other health issues have been well documented. Walk-In Tubs feature whirlpool and air massage options creating a luxury health spa right at home. For those with limited mobility, health issues or who just like to bathe in a seated position, our Walk-In Tubs may be just what the doctor ordered.

Walk-In Tub Benefits:

- 5 models to choose from
- Watertight door
- Full body immersion
- Low step-in height
- Healing hydrotherapy

RAMPS

Gain Easy Access to Your Home

Available Products:

Modular Ramps

Portable Ramps

Threshold Ramps

Ramp Rental Program

If you are considering adding a ramp to your home, look no further. Whether you are about to be discharged from a hospital or rehab, or you're just having more trouble getting around these days, we have the custom ramp solution for you. Our large variety of ramps offer quick installation, extreme durability and low maintenance. We install them in custom configurations to fit both your needs and your home!

Ramp Benefits:

- Custom configuration
- Ultimate stability
- Slip-resistant surfaces
- High weight capacity
- ADA compliant

HOME SAFETY

Fall Prevention Simplified

Available Products:

Safety Bar Accessories

SuperPole Systems

Bedside Rails

Shower Seating

Our home safety solutions are designed for those struggling with mobility and at risk for falling in the home. Falls can have lasting consequences. However, many falls are preventable. Our goal is to help you design a custom solution so you can enjoy peace of mind while staying in your home. From bedroom to baths, and everything in between, Atlas offers a free, no-obligation consultation to determine which of our safety products may be right for your situation.

Safety Product Benefits:

- Beautiful & functional
- Quality materials
- Comfort & safety
- Available in many finishes
- Professionally installed
